

Joanne Susan Payne to Retire from St. Andrews Public Service District

FOR IMMEDIATE RELEASE

Charleston, S.C. (June 11, 2018) - After seventeen years of dedicated work in many positions from Receptionist to Human Resource Administrator for St. Andrews Public Service District, Mrs. Joanne Susan Payne, a long time resident of the PSD, is set to retire on July 1, 2018.

Mrs. Payne joined SAPSD with many years of experience in her field, primarily at Springfield Elementary School. She attended Trident Technical College where she studied Business Management that began her career in Administration.

During her time at St. Andrews PSD, she served as receptionist, processed payroll, assisted residents with questions concerning street lighting issues, street maintenance and later was responsible for all Human Resource matters. Throughout her years of service, Mrs. Payne became an icon to the employees and residents for her always pleasant and positive assistance. Mrs. Payne was a tremendous resource to our employees and residents and her long time presence at SAPSD will be missed by all.

During her employment at St. Andrews PSD, Mrs. Payne always performed her responsibilities with the company and employee's best interests in mind. "It is with a heavy heart that I have decided to retire effective July 1, 2018," said Mrs. Payne.

Upon her retirement, Mrs. Payne will enjoy time with her husband of 44 years, her daughter, granddaughter, as well as visiting family and friends from her hometown of Falls Church, Virginia.

A farewell drop-in will be held in the Administration office on her last day, June 29, 2018, between 1:00 p.m. and 3:00 p.m. at 1775 Ashley River Road, Charleston, SC 29407. All friends, coworkers and well-wishers are welcome to visit during that time.

###

St. Andrews Public Service District was created by Act 443 of the South Carolina General Assembly on July 1, 1949. The territory was made up of five districts in St. Andrews Parish in Charleston County. It is a Special Purpose District originally created to provide refuse removal, wastewater services, fire protection, street lights and street signs.

Currently, St. Andrews Public Service District provides fire protection and rescue, environmental services, and street lighting to approximately 18,600 people in two districts.
